We must be advised within 14 days if the number of workers exceeds the number specified in the **Schedule** and any additional premium paid unless such workers are temporary Employees and **You** are indemnified as agreed in the Temporary Employees extension of this policy.

2. Alteration in Risk

You must tell **Us** immediately if during the **Period of Insurance** there is any alteration in risk or to the facts which **You** disclosed when **You** took out this policy, which materially affects the risk of injury, loss, **Damage** or liability which would fall within the policy cover. This includes but is not limited to alterations to the **Business**.

When **You** tell **Us** about an alteration in risk, **We** may apply additional terms and conditions to this policy (including but not limited to premium) or, if the risk is unacceptable to **Us**, **We** may cancel the policy in accordance with General Condition 10 (**Our Rights to Cancel the Policy**).

If an alteration creates an additional premium, this will be subject to a minimum premium of £10 plus insurance premium tax. If an alteration creates a lower premium, **We** will refund any difference, except for the first £10 or any difference which is less than £10 plus insurance premium tax, which will be retained to cover administrative costs.

If **You** fail to tell **Us** about an alteration in risk,

We may:

- (a) terminate the policy back to the date when the alteration occurred, if **We** would have cancelled the policy had **You** told **Us** of the alteration in risk;
- (b) proportionately reduce the amount payable in respect of a claim; and/or
- (c) treat the policy as if it contained such different terms (other than relating to the premium) that **We** would have applied to the policy had **You** told **Us** of the alteration in risk.

Any reduction in claims payments or application of different terms will take effect from the date on which the alteration in risk occurred.

Where **We** elect to proportionately reduce the amount payable in respect of a claim, **We** will pay a percentage of the claim, the percentage being calculated by comparing the premium which **You** actually paid with the premium which **We** would have charged had **You** told us about the alteration in risk. For example, if the premium which **You** actually paid is 70% of the premium **We** would have charged, **We** will only pay 70% of any claim.

3. Average

If at the time of any loss the total Sum Insured specified in the **Schedule** is less than 85% of the total value of the property insured **We** shall bear only that proportion of the loss which the total Sum Insured bears to the total of the property insured.

This Condition does not apply to the Public and Products Liability Section or the Employers' Liability Section.

4. Change of Risk or Interest

This policy shall be avoided if:

- (a) **Your** interest ceases other than by death
- (b) the **Business** be wound up or carried on by a liquidator or receiver or permanently discontinued at any time after the commencement of this insurance unless **We** have accepted the change.

Nothing contained in this policy shall give any right against **Us** to any person other than **You** except to a transferee approved by **Us**.

5. Contract (Rights of Third Parties) Act 1999

A person or company who was not a party to this policy has no right under the Contracts (Rights of Third Parties) Act 1999 to enforce any term of this policy but this does not affect any right or remedy of a third party which exists or is available apart from that Act.

6. Fraudulent Claims

For the purposes of this Condition the definition of '**You / Your**' will also include any person who is entitled to benefit from the policy to the extent that a claim is made by or on their behalf.

If **You** or anyone acting on **Your** behalf makes a claim which is in any way fraudulent **We**:

- (a) will not pay the claim;
- (b) may recover from **You** any sums already paid by **Us** in respect of the claim; and
- (c) may notify **You** that **We** are treating this policy as having terminated with effect from the time of the fraudulent act.

If **We** do treat this policy as having terminated, **You** will have no cover under this policy from the date of termination and will not be entitled to any refund of premium.

Where a fraudulent claim is made by or on behalf of a person who is not the **Policyholder**, this condition applies only to that person's claim and references to 'this policy' should be read as if they were references to the cover for that person alone and not to the policy as a whole.

Fraudulent claims include but are not limited to:

- (a) making a claim which is fraudulent, fictitious or known to be false
- (b) intentionally exaggerating or inflating a claim
- (c) supporting a claim with false or forged documents, information or statements
- (d) wilfully causing loss, **Damage** or injury

7. Other Insurances

If at the time a claim arises there be any other insurance effected by **You** or on **Your** behalf applicable to such event **Our** liability shall be limited to its rateable proportion thereof.

If any other such insurance is subject to any provision whereby it is excluded from ranking concurrently with this policy whether in whole or in part or from contributing rateably then **Our** liability hereunder shall be limited in respect of such **Damage** to any excess beyond the amount which would have been payable under such other insurance had this policy not been effected.

8. Fair Presentation of the Risk

You must make a fair presentation of the risk when **You** first take out this policy and also whenever **You** renew it or ask **Us** to change **Your** cover.

If **You** fail to make a fair presentation of the risk including failing to disclose or misrepresenting a material fact, or disclosing material facts to **Us** in a way which is not clear and accessible:

We may avoid this policy and refuse all claims where:

- (a) such failure was deliberate or reckless; or
- (b) **We** would not have entered into this policy on any terms had **You** made a fair presentation of the risk.

Should **We** avoid this policy **We**:

- (a) Shall treat the policy as if it had not existed from the start date, the renewal date, or the date when **You** asked **Us** to change **Your** cover, depending on when the failure to make a fair presentation of the risk occurred
- (b) shall return the premium paid for the period for which the policy is treated as not having existed unless the failure to make a fair presentation of the risk was deliberate or reckless
- (c) may deduct from any return of premium due to **You** any monies already paid in respect of claims falling within the period for which the policy is treated as not having existed or require **You** to repay such claims.

Provided that any failure to make a fair presentation of the risk is not deliberate or reckless, if **We** would have entered into or renewed this policy, or agreed to make changes to **Your** cover on different terms had **You** made a fair presentation of the risk, **We** may:

- (a) proportionately reduce the amount payable in respect of a claim; and/or
- (b) treat the policy as if it contained such different terms (other than relating to the premium) that **We** would have applied to the policy had **You** made a fair presentation of the risk.

Any reduction in claims payments or application of different terms will take effect from the date on which the policy started, was renewed or when changes were made to **Your** cover, depending on when **You** failed to make a fair presentation of the risk.

Where **We** elect to proportionately reduce the amount payable in respect of a claim, **We** will pay a percentage of the claim, the percentage being calculated by comparing the premium which **You** actually paid with the premium which **We** would have charged had **You** made a fair presentation of the risk. For example, if the premium which **You** actually paid is 70% of the premium **We** would have charged, **We** will only pay 70% of any claim.

Where this policy provides benefits to individuals who would, if they had taken out similar insurance in their own name, have done so for purposes wholly or mainly unconnected with their trade, business or profession, **We** will not rely on this condition if the failure to make a fair presentation of the risk concerns only facts or information which relate to that particular individual, unless the individual (or **You** on their behalf) makes a careless misrepresentation, in which case **We** may rely on this condition as against that particular individual as if a separate insurance contract had been issued to them leaving the remainder of the policy unaffected.

9. Reasonable Precautions

You must:

- (a) take all reasonable precautions to prevent or minimise **Damage** accident or injury
- (b) maintain in good condition all **Tools** and equipment and shall comply with all statutory and local authority requirements including relevant Building Regulations Codes of Practices and Standards.

- (a) is operative only in connection with particular premises or locations;
- (b) is operative only at particular times; or
- (c) is intended to reduce the risk of particular types of injury, loss, **Damage** or liability

where **We** will pay for claims in respect of which **You** can prove that non-compliance with the term could not have increased the risk of the injury, loss, **Damage** or liability which occurred.
